

FIRST CLASS HOMECARE WITHOUT FIRST CLASS PRICES.

San Francisco, CA- Diverse and dynamic is what describes the Homecare industry in the United States. Homecare services are provided to over 7.6 million Americans, and that number is set to keep growing. The number of Homecare service employees grew 26% between 1996 and 2006. With the near retirement of the baby boomer generation, this industry set to soar. Accredited Caregiver Specialists is positioned to be the Bay Area's leader in affordable homecare. Starting from the ground up, Accredited Caregiver Specialists provides the highest quality senior care needed to ensure clients feel comfortable in the privacy of their own home. Accredited Caregiver Specialists is on a mission: to improve the quality of life for those they serve by building long-term relationships with their clients, and providing the best service at the best price. With the average hourly cost around the State at over \$25, Accredited Caregiver Specialist stands out and exceeds all pricing expectations. With an hourly rate of \$17.00, ACS stands to establish a lead as the affordability leader in the San Francisco Bay Area. Pricing aside, ACS provides its clients with an extensive variety of exceptional homecare services. With focus on geriatric care: ACS promotes the independence and well being of the elderly by providing basic services such as meal planning, house cleaning, transportation needs, and the assistance with many everyday activities.

The hours and services are completely flexible according to the client's needs. Live-in, Overnight, and 24 hour around the clock caregiver services are provided for those requiring special assistance. ACS takes pride in providing their clients with choices for their own care; and are constantly looking for ways to reduce cost while providing high quality services.

In order to promote and carry out their mission statement, ACS only has a comprehensive screening process to identify and retain the most qualified and skilled Caregivers. Caregivers must pass state and federal criminal background checks, TB test, multiple interviews, reference checks, and detailed skills testing. Many of the register Caregivers are CNA/HHA certified.

At ACS, caregivers are also matched with clients based on proximity, experience with various conditions, languages skills, cultural background, and common interests. With affordable prices, and exceptional Caregivers, ACS is ready and able to provide alternative options for seniors who seek independence. For more information visit www.accreditedcaregivers.com
